

BMCHSD Percussion Students

As you know, percussionists are required by the district to pay the \$90 maintenance fee. For the past two years, HS programs have given students the option of purchasing a percussion stick bag and using their own sticks/mallets in lieu of paying the fee. If students do not purchase the bag, they will have to pay the fee. If proper maintenance of the stick bags are done, this will be a one time purchase over the next few years. Please call your band director to discuss any questions you may have.

The Long Island Drum Center and the band programs have worked out an arrangement to provide the following two percussion bag options.

Bag Option 1 (\$95 includes tax)

1. Long Island Drum Center (LIDC) pair of sticks
2. Pair of stock Timpani mallet
3. Pair of all purpose keyboard mallet
4. Pair of suspended cymbal mallets
5. Stick bag

Bag Option 2 (\$150 includes tax)

1. Vic Firth 5B drum sticks
2. Vic Firth Timpani Sticks
3. Vic Firth Mallet/Keyboard Mallets
4. Vic Firth Suspended Cymbal Mallets
5. High Quality Stick bag

This is preferable for a HS level playing of music.

Optional: Practice Pad 7" \$20

If you'd like to order your bag/pad through the Long Island Drum Center, please send a check in by September 28(Checks sent earlier will be mailed ahead of time) . Checks are to be made out to Long Island Drum Center. There are no refunds or returns.

Maintaining these bags will give students the option to waive the maintenance fee in the future.
